## *Department of Utilities*

April 20, 2015

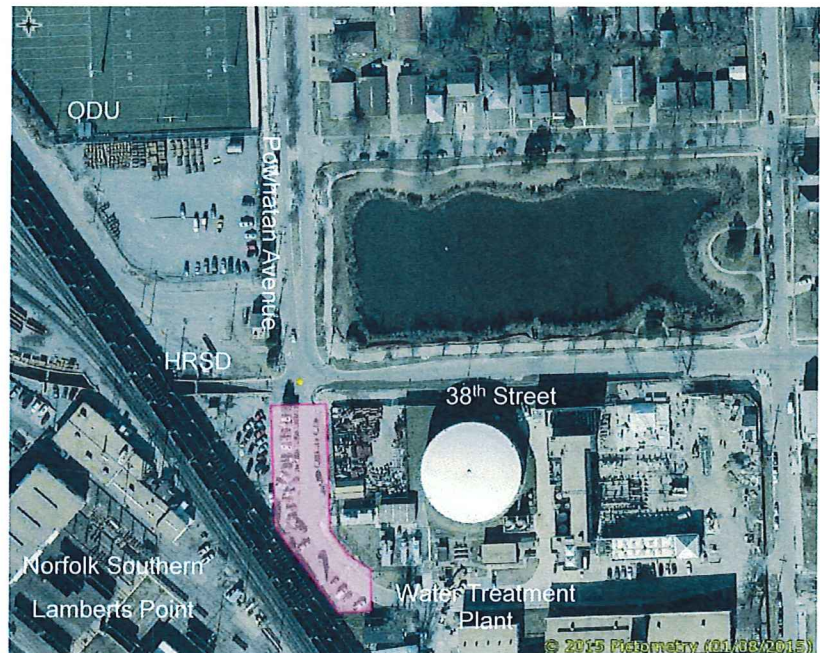

### Proposed Closure of Powhatan Avenue, South of 38<sup>th</sup> Street

Dear Valued Customer,

The City of Norfolk Department of Utilities would like to inform you of its plans to seek closure of the right-of-way of the 3700-block of Powhatan Avenue, South of 38<sup>th</sup> Street, as shown by the pink highlighted area on the map to the right.

The section to be closed is the dead-end public right-of-way that only serves as the entrance to the City's Water Treatment Plant. No changes to the current traffic patterns are anticipated.

If you have any questions regarding these plans, please do not hesitate to contact the City's Project Manager, Christopher Krus at (757) 664-6752 or [christopher.krus@norfolk.gov](mailto:christopher.krus@norfolk.gov).

Sincerely,

Kristen M. Lentz, PE  
Director of Utilities
